## *Who is* Summit Public Schools?

- A charter organization founded in 2003
- Serves a diverse student population
- 6 Summit Schools with 1,600 Students across the Bay Area
- Expanding to serve more communities

## *Our Mission*

Summit Public Schools prepares a diverse student population for success in a four-year college, and to be thoughtful contributing members of society.

## *Where* are we today?

100%

Summit Students Eligible  
to Apply to a Four-year  
College

96%

Summit Graduates Accepted  
to a Least One Four-year  
College

55%

Summit Graduates on Track to  
Complete College within Six Years  
*(Nearly Double the National Average)*

## *Summit's Next Generation School Model*

Students empowered to drive their own learning, ensuring they are prepared for success in college, career and life.

# *3 Key Elements* of Summit's Next Generation School Model

**Beyond College Acceptance**  
*College & Career Readiness*

**Professionalizing Teaching**  
*High Impact & Value to Students*

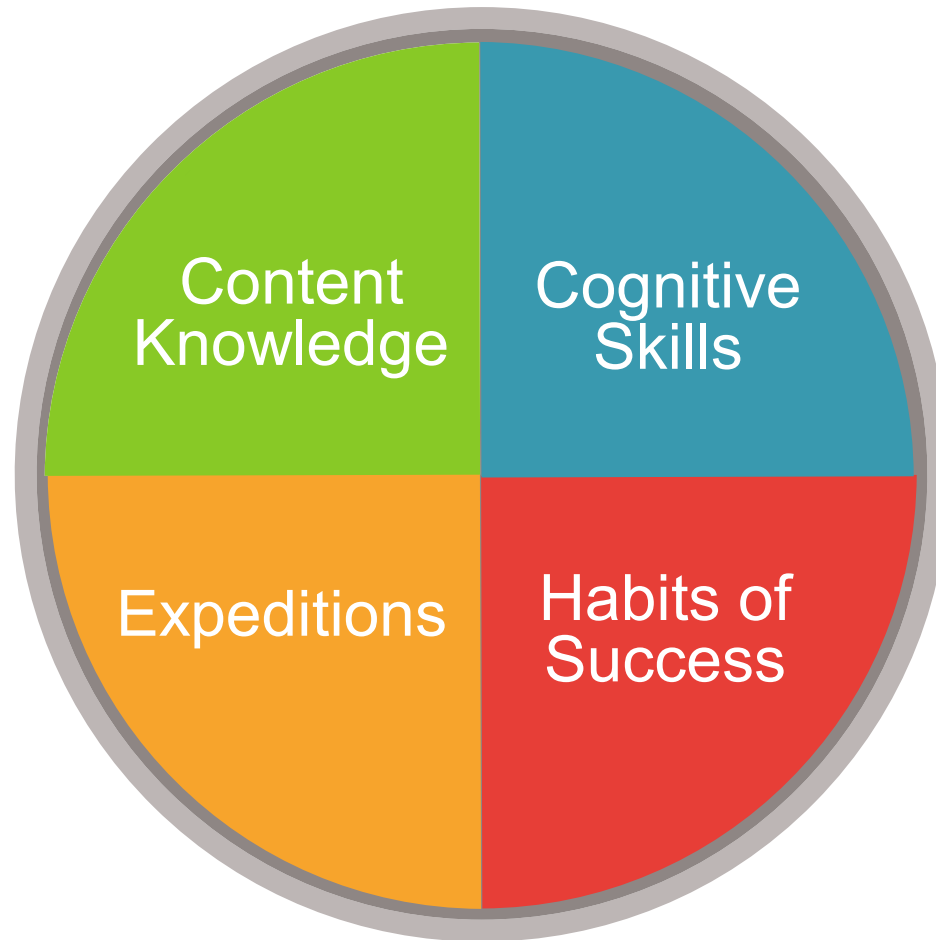

**Culture of Innovation**  
*Student Centered & Data-Driven Improvement*

## Introductory Materials

### 91 16 Diagnostic Assessment: Human Impact on the Environment

You can reference the Food Webs and Energy Pyramids playlist to remind yourself about the carbon cycle- if you need to. It is optional and not part of the objectives for this playlist. Additionally, you can remind yourself of the key terms associated with the concept of Carrying Capacity when you get to Objective 4 by re-visiting the Carrying Capacity playlist.

### 43 4 Playlist: Food Webs and Energy Pyramids

### 19 4 Playlist: Carrying Capacity

## Objective 1: Changes in an Ecosystem due to changes in climate

### 47 7 Key Terms: Human Impact on the Environment

### 58 17 Interactive: What is climate change?

### 63 18 Reading: What is climate change?

### 54 11 Reading: Breakdown of Climate Change

### 60 5 Check for Understanding: Climate Change

## Objective 2: Changes in an ecosystem due to the introduction of a nonnative species.

### 26 18 Video: Examples of Invasive Species

### 40 9 Map: Invasive Species of the world

### 29 10 Invasive Species in the SF Bay

### 48 6 Interactive: Invasive Species Matching Game

### 28 5 Graphic Organizer: Invasive Species Profiles

### 44 3 Reading: Invasive Species Profile - Zebra Mussels

### 45 2 Reading: Invasive Species Profile - Northern Pike

### 42 3 Reading: Invasive Species Profile - Ice Plant

### 40 3 Reading: Invasive Species Profile - Chinese Mitten Crab

### 53 3 Check for Understanding: Invasive Species

## Objective 3: Changes in an ecosystem resulting from human activity

### 31 3 Interactive: BrainPOP - How do we impact our surroundings?

### 19 4 Graphic Organizer: Overfishing Notes

### 40 2 Video: Overfishing

### 44 3 Lecture: Overfishing

### 32 4 Video: How our Agriculture Impacts Frogs

### 26 1 Video: How are humans impacting sea otters?

### 23 6 Explore: Examples of How Humans have Changed the Physical Structure of Earth

### 25 3 Reading: Habitat Fragmentation

### 36 1 Interactive: Habitat Fragmentation

### 22 3 Reading: Environmental Impacts of Farming

### 28 2 Video: Plastic Paradise Movie Trailer

### 15 4 Video: "Into the Deep - America, Whaling, and the World"

### 19 5 Explore: Listed Endangered Species

### 16 2 Interactive: Most Endangered Species in the World

### 31 4 Check for Understanding: Human Activities

## Objective 4: Changes in an ecosystem resulting from changes in population size

# Cognitive Skills Rubric

			No evidence	Minimally acceptable for advancement to 5th grade level	Minimally acceptable for advancement to 7th grade level	Minimally acceptable for advancement to 9th grade level	Minimally acceptable for advancement to 11th grade level	[College ready] Minimum competence for graduation into a 4-year college	[Early college] Minimum proficient demonstration of competence in an AP course	Professional or approaching professional quality
Domain	Indicator	High-level Description	1	2	3	4	5	6	7	
General Literacy	Evidence	Quality and appropriateness of evidence. Connection between evidence and analysis.	No evidence of using evidence	Selects evidence that minimally supports the central idea. Evidence is general or unrelated to the central idea. Evidence is drawn from one source.	Selects evidence to support the central idea. Evidence is mainly from one source, with limited evidence from across sources.	Selects relevant evidence to support the central idea. Evidence is drawn unevenly across sources.	Selects multiple pieces of relevant evidence to support the central idea. Evidence is drawn evenly across sources.	Selects relevant and salient evidence across sources to support central idea. Does not identify missing evidence.	Selects relevant and salient evidence across sources to support central idea and some of its components. Inconsistently identifies missing evidence.	Selects relevant and salient evidence across sources to support central idea and all components. Identifies missing evidence and ambiguous evidence.
	Theme/Central Idea	Determining the ideas and their central components and how they interact in a text.	No evidence of identifying themes and central ideas.	Determine a theme/central idea of a source.	Determine a theme/central idea of a source and some of the central components, key ideas, or conclusions.	Determine a theme/central idea of a source and the central components, key ideas, or conclusions.	Determine a theme/central idea of a source and the central components, key ideas, or conclusions. Identifies some connections between ideas within a source.	Determine a theme/central idea of a source and the central components, key ideas, or conclusions. Identifies connections between ideas within a source.	Determine a theme/central idea of a source and the central components, key ideas, or conclusions. Identifies some connections between ideas within and across sources.	Determine a theme/central idea of a source and the central components, key ideas, or conclusions. Identifies connections between ideas within and across sources.
	Point of View/Purpose	Understanding how an author's point is unique and why an author has written a given text.	Does not identify the author's point of view.	Identify the point of view of the author/speaker of a source. Provide a general understanding or misstate the author's point of view.	Provide a broad understanding of the author's point of view but may not identify all of the details.	Identify the author's intended audience.	Identify salient details of an author/speaker's explicit point of view and limited details of the implicit aspects. Identify the intended audience and partially describe how an author uses language/rhetoric to advance point of view or purpose to them.	Identify salient and relevant details of an author/speaker's explicit & implicit point of view or purpose. Analyze how the author uses language/rhetoric to advance that point of view or purpose.	Completely determine an author/speaker's point of view or purpose in a text/source. Analyze how they use specific language/rhetoric to advance that point of view or purpose.	Convey an author/speaker's point of view or purpose in a text/source; analyze how they use specific language/rhetoric to advance that point of view or purpose; over other choices.

# Habits of Success Continuum

	Topic	1	2	3	4	5
1. Self-Awareness & Self-Management Skills	A. Identify and manage one's emotions and behaviors	Identify one's likes and dislikes, needs and wants, strengths and challenges.	Describe a range of emotions and the situations that cause them.	Analyze factors that create stress or motivate successful performance.	Analyze how thoughts and emotions affect decision making and responsible behavior.	Evaluate how expressing one's emotions in different situations affects others.
		Demonstrate control of impulsive behavior.	Describe and demonstrate ways to express emotions in a socially acceptable manner.	Apply strategies to manage stress and to motivate successful performance.	Generate ways to develop more positive attitudes.	Evaluate how expressing more positive attitudes influences others.
	B. Recognize personal qualities and external supports.		Describe personal skills and interests that one wants to develop	Analyze how personal qualities influence choices and successes.	Set priorities in building on strengths and identifying areas for improvement.	Implement a plan to build on a strength, meet a need, or address a challenge.
		Identify family, peer, school, and community strengths	Explain how family members, peers, school personnel, and community members can support school success and responsible behavior.	Analyze how making use of school and community supports and opportunities can contribute to school and life success.	Analyze how positive adult role models and support systems contribute to school and life success.	Evaluate how developing interests and filling useful roles support school and life success.
	C. Demonstrate skills related to achieving personal and academic goals	Describe why school is important in helping students achieve personal goals.	Describe the steps in setting and working toward goal achievement.	Set a short-term goal and make a plan for achieving it.	Identify strategies to make use of resources and overcome obstacles to achieve goals.	Set a post-secondary goal with action steps, timeframes, and criteria for evaluating achievement.
		Identify goals for academic success and classroom behavior.	Monitor progress on achieving a short-term personal goal.	Analyze why one achieved or did not achieve a goal.	Apply strategies to overcome obstacles to goal achievement.	Monitor progress toward achieving a goal and evaluate one's performance against criteria.
2. Social Awareness & Interpersonal	A. Recognize the feelings and perspectives of others	Recognize that others may experience situations differently from oneself.	Identify verbal, physical, and situational cues that indicate how others may feel.	Predict others' feelings and perspectives in a variety of situations.	Analyze similarities and differences between one's own and others' perspectives.	Demonstrate how to express understanding of those who hold different opinions.
		Use listening skills to identify the feelings and perspectives of others.	Describe the expressed feelings and perspectives of others.	Analyze how one's behavior may affect others	Use conversation skills to understand others' feelings and perspectives.	Demonstrate ways to express empathy for others.
	B. Recognize individual and group similarities and differences	Describe the ways that people are similar and different.	Identify differences among and contributions of various social and cultural groups.	Explain how individual, social, and cultural differences may increase vulnerability to bullying and identify ways to address it.	Analyze the origins and negative effects of stereotyping and prejudice.	Evaluate strategies for being respectful of others and opposing stereotyping and prejudice.
		Describe positive qualities in others.	Demonstrate how to work effectively with those who are different from oneself.	Analyze the effects of taking action to oppose bullying based on individual and group differences.	Demonstrate respect for individuals from different social and cultural groups.	Evaluate how advocacy for the rights of others contributes to the common good.
